Invitation letter to screening for breast cancer¹

Dear [name]

You have recently participated in screening for breast cancer.

Due to technical issues your x-rays cannot be evaluated. It is therefore necessary to undertake a new examination. We are sorry for the inconvenience.

We have booked a new appointment for you at:

**[Date

Zip code and city]**

If you want to cancel or change your appointment

Participation in screening for breast cancer is voluntary. If you do not want to participate your appointment time can be offered to someone else. You can cancel or change your appointment at [relevant homepage] or by calling [relevant department and phone number]. Here you can also permanently withdraw from the screening programme for breast cancer.

Results of the screening examination

The results of the screening examination will be send to you and your general practitioner digitally within 2 weeks. If you do not want your general practitioner to receive your screening examination results, please state so during the screening examination.

Please contact [relevant department] prior to the screening examination if you:

- attend a follow-up programme after breast cancer or have had a mammography within the last [number] months
- Is a wheelchair user, has a mobility disability, or has other specific requirements
- Has had both breasts surgically removed

According to Danish legislation you are not entitled to transport remuneration when attending screening for breast cancer.

Yours sincerely,

[Relevant department]
